1. President Jara called the meeting to order and reviewed the agenda for the meeting.

Briefs

2. Dax Weindorf, Lighthouse Financial, reported that the Advisors Capital Management account closed yesterday at \$1,397,189. The portfolio contains high quality fixed income. The overall performance is an 8.8% rate of return. The overall market is at -20% currently but the account is still up since starting. Projected income is \$73,774 (5% of account value). The income is being reinvested. Weindorf asked for any questions. He stated from January 1 to today that the performance is 4.7% in value and the total income has not changed. His team feels it will weather the storm well.

Cluck stated that he previously sent Dax and email re upcoming obligations. That amount through July totals \$65,000. A spendplan needs to be worked out that matches the budget. The \$100,000 recently received (on Treasurer's report) is not going to be invested. The \$5,000,000, assuming it comes through, will go to an investment account. The 2023-24 budget will not include any of the \$5,000,000 appropriations. We need time to get revenue before budgeting it.

Weindorf stated to look at a little more conservative management with the \$5,000,000 to generate more yield and rate of return. He discussed income and growth. Since funds cannot be commingled, the \$5,000,000 will be in a separate account. The portfolio is managed with the market conditions in mind. The bonus will come when things settle down.

Betts discussed the fee structure changing when the \$5,000,000 comes in.

3. Eric Lothian discussed the Balance Sheet and Profit and Loss statement for this quarter. The contribution payable was the 5th Battalion Reunion. The 605 was donations received to pay Catherine Johnson. The foreign taxes are from the Investment Account. Contributions were delivered except one for \$600 to the Freedom Fund. He asked for questions. There were none.

4. Cluck discussed the Treasurer's Report. Very little has been received from CFC. He discussed how Covid has affected these revenues. He is interviewing banks to consolidate accounts. He pointed out that the 5th Battalion will eventually set up their own account. Cluck recommends that a separate endowment be created for the Youth Foundation. The donation from Rainwater, Holt and Sexton of \$1,000 is to be used for Child and Youth Services.

There was discussion concerning the format of the budget and its use to see if the Foundation is on track. President Jara asked for any other financial or budget questions.

5. Catherine Johnson reported that she will be talking to Ricky Hill about the \$5,000,000 appropriation after July 1. The \$250,000 from the Attorney General's office will help fund expenses outlined in the brochure probably in the next 30 days. She has been researching different foundations and found two or three that this foundation would qualify for. She will take the brochure and send it to various foundations with a cover letter. She will follow up and talk about a meaningful gift to the Foundation. This is how they will learn about this Foundation. She discussed different options, including a possible \$50,000 from the Sturgis Foundation. She would like to schedule a meeting to make a plan on which foundations to approach. Cluck stated that input is needed on what to spend the money on, to get expert input, and have conversations on where to focus. Betts stated that we need to find someone that needs the money. Derrick Young stated that we need to consider liability when directing funds. President Jara brought up the Minuteman Youth Camp, Delta Dental, and health care for guard members. Catherine stated we would want to request money to spend in the next 12 months. She said it is about relationship building to sit down with the foundations. She would like to develop a list to mail brochures to make an introduction to the Foundation so they can become familiar with us. This could lead to an opportunity for a major gift. It could be an endowment opportunity. Damon discussed different program for a named endowment. Catherine would like the brochure at some point to be shared with all members of the General Assembly. She also recommends meeting with the governor-elect and brief him/her about the Foundation. Catherine discussed several programs. Betts recommended a date be set to meet with Catherine on these foundations. President Jara suggested the 15th or 16th of June for a meeting.

Old Business

6. President Jara thanked Damon Cluck and Catherine Johnson for working on the brochure. The printing fees were donated by Farm Bureau Insurance and a thank-you letter needs to be sent to them.

7. Betts made a motion to accept the minutes from the meeting on 10 March 2022 as presented. Elizabeth Jara offered a second. No further discussion was had and the minutes were approved unanimously.

8. Betts made a motion to hire Damon Cluck as Executive Director of the Foundation. Gary Wynn offered a second. No further discussion was had and the motion passed unanimously.

New Business

9. President Jara thanked Adam Warford for updating the Bylaws. They solidify the roles of executive members. Adam discussed some of the changes and discussed the number of members.

10. Betts made a motion to accept the proposed Bylaws by the committee. Elizabeth Jara offered a second. No further discussion was had and the motion passed unanimously.

11. President Jara discussed building the Board. He asked for recommendations as the Foundation needs people that will be engaged. Damon went over the names of everyone already serving.

12. Betts made a motion nominating Damon Cluck as Secretary-Treasurer. Gary Wynn offered a second. No further discussion was had and the motion passed unanimously.

13. Betts made a motion nominating Ryan Workman as a member at large. A second was offered. There was no further discussion and the motion passed unanimously.

14. Betts made a motion nominating Ben Moore of Edward Jones as a member at large. A second was offered. There was no further discussion and the motion passed unanimously.

15. President Jara asked if there were any board members who could no longer serve. There were none.

16. There was a discussion regarding the 2023-24 budget and how the Attorney General's grant will be budgeted. President Jara asked if there were any questions on the budget. Betts stated that most budgets he has seen have been balanced, adjusted to zero. He suggests that Eric Lothian put in Quickbooks and adjust the budget. He recommends changing the form of the budget.

17. Betts made a motion to accept the 2022-23 budget with the tentative numbers with the caveat for entering line by line numbers and putting it in Quickbooks. A second was offered. There was no further discussion and the motion to approve the budget was approved unanimously.

18. President Jara stated that the Executive Director position has a six-month probationary period and that Cluck should let the Foundation know if the budget figures are accurate.

19. The NGAA Support Agreement was discussed. It defines the relationship between the Association and the Foundation and the separateness of the Boards.

20. Elizabeth Jara made a motion to create an endowment to receive funds from the Arkansas National Guard Youth Foundation. Betts seconded the motion. There was no further discussion and the motion passed unanimously.

21. Cluck requested that the Foundation open two additional bank accounts. Elizabeth Jara made a motion to open two additional bank accounts and Betts seconded the motion. There was no further discussion and the motion was approved unanimously.

22. Cluck requested that all the Foundation bank accounts be consolidated into one bank and that he have authority to open a credit card account. Betts made a motion to consolidate all Foundation bank accounts into one bank and that Cluck be permitted to open a credit card account. Elizabeth Jara seconded the motion. There was no further discussion and the motion was approved unanimously.

23. President Jara announced that the next ANGF Board meeting would be August 17, 2022, at 3:00.

24. President Jara asked if there were any other alibis or new discussions.

25. Betts made a motion to adjourn and Elizabeth Jara offered a second. There was no further discussion and the meeting was adjourned.

We have a motion and a second.
I'll leave the motion open for 48-hours for comment whereupon I'd ask for your vote of concurrence, or non-concurrence.

Thank you.

Hiring Committee members.

I placed an advertisement in the DAILY GUARD as referenced below. So far I have only received one applicant, COL (ret) Damon Cluck (resume available).

Although I expressed willingness to accept applications through 1 June, I am prepared to accept Damon's application without further completion.

We are not bound by "HRO" hiring rules and I can see no better candidate to help us lead the ANGF through the coming years. Additionally, I have recently learned that he is no longer employed by the NGAA and don't want to lose him to another employer.

I would accept a motion to suspend further competition for this announcement and to make an immediate offer under the terms of the advertisement below.

I am available for questions as needed.

ALCON;

It will be reflected in the next report to the Full-Board that a hiring board was assembled, the hiring committee agreed, by majority acclaim, to proceed with the hiring action for an ANGF Executive Director. The starting hourly rate and hourly commitment will be subject to review by the board after a NTE 6-month probationary period.

The attached Advertisement will be published at the close of this week (probably on the NGAA LinkedIn site and the Association Facebook pages).

Please provide input/corrections/edits, prior to public release.

Thank you!
